

Wheels 4 Life Application for a Bicycle Grant

**Please complete and send back to Carmen Rey at
Carmen@wheels4life.org**

Please note, any fraudulent claims or submission of false documentation and or information will be reported to local authorities and result in the application being rejected.

This application does not guarantee the provision of bicycles.

- 1) Please provide your **name, physical address, email address, telephone number, profession** and the **date of this application**.

- 2) Which town/village and country are you applying for? If the village is a remote location, please also provide the name of the nearest town.

- 3) Do you belong to an organization, if so what is it called? If not, what inspired you to apply for bicycles for your community?

- 4) How many bicycles are you applying for?

- 5) How would the bicycles be used, how would they improve a persons life?

- 6) How would you identify the people in need of a bicycle?

- 7) Do you have a bank account?
- 8) What is your profession?
- 9) How long has your organization been established?

- 10) Would the people receiving the bicycles be able to ride them properly and safely and if not, would someone be prepared to teach them how to do so?
- 11) Would the recipients be able to carry out basic bicycle maintenance and afford spare parts?
- 12) Have you ever applied to Wheels 4 life for bicycles before either under this name or another name?
- 13) How did you hear about Wheels 4 Life?
- 14) Have you ever received help from another charity before? If so, which one?
- 15) Do you know anyone else who has received bikes from us in the past? If so, what is their name?
- 16) How much does a bicycles that would suit your needs cost in your country?
- 17) Can you please provide us with a photo or description of the kind of bicycle you would like to use?
- 18) What kind of distances are travelled at the moment by the people who would receive a bicycle if this application is successful, do they have an alternative form of transportation available to them?
- 19) Would you or your organization be willing to supervise a bicycle project on behalf of Wheels 4 Life, providing us with all documentation requested including a report about the bicycle recipients, how they will use the bikes and how their lives will benefit along with accompanying photos? Would you or someone in your group or organization be prepared to ensure that the bicycles are assembled correctly before distribution?

Would you or someone in your organization be prepared to provide us with a follow up report approximately one year later explaining the impact and results of having a bicycle?

20) N.B there are costs involved and a considerable amount of work when running a Wheels 4 Life project in the field. For example, some transportation costs, photography and minor administration costs when compiling the report A Project leader must be prepared for this if their application is successful. Please confirm that this is acceptable to you before we continue this process.

Wheels 4 Life,
P.O. Box 21, Laguna Beach, CA 92652, U.S.A
